

ABSTRACT

An abstract summarizes, usually in one paragraph of 300 words or less, the major aspects of the entire research in a sequence that includes: 1) the overall purpose of the study and the research problem(s) you investigated; 2) the basic design of the study; 3) major findings or trends found as a result of your analysis; and, 4) a brief summary of your conclusions.

JEL CLASSIFICATION

JEL Codes are used to classify articles, dissertations, books, book reviews, and working papers.
